Community Update #1 Bella Coola COVID-19 Update

Information current as of November 29, 2020

Nuxalk Health has been notified that a positive case of COVID-19 has been identified at Acwsalcta School.

- **The exposure occurred on 24th, 25th, & 26th November 2020, and affects Grade 7, 8, 9, 10.**
- **Anyone identified by public health as a close contact will be notified directly by public health and asked to self-isolate for 14 days**
- **If you do not receive a call from public health, your risk is considered to be very low**

If you are concerned about the health of your child/family or would like to know more information about testing for COVID-19, please **contact Sophie Mack, CHN at 250-799-5902 or Amelia Penney, PHN 250-799-5722** Monday - Friday 9am to 5pm.

The Bella Coola General Hospital offers COVID-19 testing through a drive through system at the side of the hospital 7 days a week. **COVID 19 testing is only available to those people who have symptoms.**

To contact the Nuxalk Health Center you can call 250-799-5809. The Emergency Operations Centre number is 250-799-5368.
