COVID-19 COORDINATED INFORMATION UPDATE for the Bella Coola Valley - April 11, 2020

The various leaderships within Nuxalk territory are working together for the safety of all residents

A message from Statatalmc Nuxalk Ancestral Government We first acknowledge Alhkw'tnam for everything provided. Nuxalkulmc is closed. Non-essential traffic are trespassers. All arrivals must quarantine for 14 days. We all limit physical interactions, only going out for essentials. Preparations are being made to implement a total valley lockdown.

Respect, honour and prayers to those working to keep us healthy.

A message from the Nuxalk Nation EOC

- The Nuxalk Nation EOC remains active to serve the community
- The EOC is operating an information checkpoint at Hwy 20
- Traffic has decreased & all persons entering the valley are required to self-isolate for 14 days
- The EOC is also offering Essential Support Services for those needing help while in self-isolation
- Questions? Email eocinfo.nuxalk@gmail.com

A message from the Central Coast Regional District

- The CCRD Regional EOC is here to serve all of the Central Coast communities: Bella Coola, Bella Bella, Wuikinuxv, Denny Island and Ocean Falls
- The Ministry of the Environment and Climate Change has restricted all open-burning up until April 15th
- BC Wildfire Service from April 16th has prohibited Category 2 & 3 Open Fires and fireworks, sky lanterns and burn barrels and cages
- The Bella Coola Valley Bus is here to serve the community but passenger limits are in place to help with physical distancing. Operating Mon-Sat 8:00am-6:00pm. Call: 250-799-0079 to book a trip
- Questions? Call the CCRD on 250 799 5291 or visit www.ccrd.ca

A message from Vancouver Coastal Health

- Vancouver Coastal Health has confirmed that, as of March 25, there are
 NO cases of coronavirus in Bella Coola
- If you are presenting symptoms please self-isolate and phone the clinic at 250 799 5342. Access to the hospital is restricted.
- The pharmacy is available at 250 799 5432
- Washing your hands, social distancing (remaining 6 feet apart) and staying home as much as possible continue to be important
