

Denny Island Recreation Commission Meeting

December 10, 2020. 7 pm

Via Teleconference and Zoom

Krista,

Lon Sheehan

Ramona Goosen

Victoria Graham

Daniel Bertrand

Christmas Hampers

Some people want to volunteer cooking

Each make something separately, then someone gather them together, and then someone to distribute them?

Between Tori and Ramona they have a list of everyone

List of recipients

Krista can bake

Tori and Ramona will make the list. Of those in need and will talk to people who will volunteer to cook

Will figure out distribution date later

Kids presents

Santa will come to the school on December 18th at 10:30 to give toys to the kids.

Unanimously approved for recommendation for the CCRD approval the Krista's Active Communities Grant Budgeting attached as Sheet 1

Discussion of Rec Commission Boundary Adjustment Report

would likely get more interest, donation and volunteers doing rec commission program than putting money through CCRD where we don't know \$ will go.

An issue for the broader community to consult with DICDA in January and February

Could DICDA take over the Commission's property ?

Fundraising might be difficult, but people are more generous when they know where the money is going to.

What about putting it to rest for a year?

Pass a zero budget, experiment with fundraising in the meantime and reinvigorate if need be – will give time to get the trail finalized

District recreation officer says it can take a few months to approve the trail

What about the surplus? Should spend it and not let the CCRD keep it.

Might be able to transfer it to the Chamber to complete the Gazebo?

Dan and Krista to meet with DICDA on December 22 to raise the issue. Broader community consultation may have to wait till after the emergency orders are lifted
