To: Mr. Brad Vis:

RE: BC Wildfires Petition

The District of Lillooet (the "District") Councillor Laurie Hopfl has taken part in conversations with many stakeholders across our community regarding the needed changes to protect BC forests and every living thing in them.

On December 7, 2021, Councillor Hopfl made a notice of motion at the District Regular Council Meeting and sought Council support for a call to action as outlined in a petition, "BC Wildfires" that was signed by 46 Lillooet area residents.

The BC Wildfires petition, enclosed with this correspondence, is addressed to the Government of Canada and asks for the Government of BC and Canada to empower local persons, those working with licensees, industry and contractors, Indigenous communities, ranchers and workers such as fire fighters, forestry workers, and all those that see the day-to-day issues and have front line knowledge to provide feedback on the inconsistencies and shortcomings with regard to forest management and wildfire prevention in order to help bring about much-needed change.

Inspired by the Ontario government who assembled an 'All Hazards Agency' that employs people to manage fire, flood and slides, we believe that BC needs this type of agency as well.

We believe that impacts to lumber prices and job availability, mill closures, current and future mudslides, damage to critical habitat, and house insurance increases are trickle effects that will continue to have detrimental effects on BC's future if we do not make necessary changes to current forest practice procedures.

Consequently, the District of Lillooet calls upon the Provincial and Federal Governments to provide better forest management and wildfire protection by assessing the current policies and guidelines to enhance those that are working and to re-evaluate and change those that are not.

As such, the District Council passed resolution R-235-2021:

THAT Mayor and Council accept the petition "BC Wildfires" for information;

AND THAT the petition be provided to the House of Commons and that MP Brad Vis may address the petition there;

AND THAT staff write a letter on behalf of Mayor and Council that reiterates and supports the points in the petition;

AND FURTHER THAT the letter be sent to the MLA, MP, and all Councils of BC communities.

We respectfully request that you present the BC Wildfires petition to the Clerk of Petitions and upon receiving certification, to the House of Commons.

We invite other BC communities to adopt similar resolutions and join our efforts to bring about change in BC.

On behalf of Council, thank you for your consideration of this request.

Sincerely,

Mayor Peter Busse
District of Lillooet

BC Wildfires:Whereas:

We are calling for better forest management and wildfire prevention as well as empowering Local People, working with Licensees, Industry & Contractors, Indigenous Communities, Ranchers, and boots on the ground workers such as Fire Fighters, Forestry workers, and all those that see day to day issues and have the frontline knowledge to provide feedback on the inconsistencies and can help to create change.

Ontario created an 'All Hazards Agency' that employs people to manage fire, flood and slides. We believe BC needs this too. Create full time, year around employment for forest restoration and management for fire fighters.

The trickle effect of lumber prices and availability along with jobs, mill closures, current and future mudslides, damage to critical habitat, and house insurance increases will have an alarming effect on BC's future if we don't change the current forest practice procedures.

We need to make a change to protect BC Forests and every living thing in it.

Therefore:

This petition is calling on our Provincial and Federal Governments to provide better forest management and wildfire protection by assessing the current policies and guidelines to enhance those that are working and to re-evaluate and change those that are not.
