Central Coast Regional District
Box 186
Bella Coola BC V0T 1C0

Attention: Board of Directors

Dear Sir / Madam:

This letter has been prepared to assist you with your review of the financial statements of Central Coast Regional District for the year ending December 31, 2016.

Audit Status

We have completed the audit of the financial statements, with the exception of the following items:

- 1. Receipt of a signed representation letter by management;
- 2. Obtaining evidence of the Board's approval of the financial statements;

Once these items have been completed, we will date and sign our auditor's report.

Significant Matters Arising

Changes to Audit Plan

There were no changes to the audit plan (as previously presented to you).

Other Matters

We have not identified any other significant matters that we wish to bring to your attention at this time.

Significant Difficulties Encountered

There were no significant difficulties encountered during our audit.

Comments on Accounting Practices

Accounting Policies

The significant accounting policies used by the entity are outlined in Note 2 to the financial statements.

- There were no significant changes in accounting policies
- We did not identify any alternative accounting policies that would have been more appropriate in the circumstances
- We did not identify any significant accounting policies in controversial or emerging areas.

RECEIVED

APR 07 2017

Central Coast Regional District

Board Meeting
APR 13 2017
RECORD ITEM (g)

CHARTERED PROFESSIONAL ACCOUNTANTS LLP

Significant Accounting Estimates

The following significant estimates/judgments are contained in the financial statements:

- Book value of capital assets
- Accrued liabilities

Based on audit work performed, we are satisfied with the estimates made by management.

Significant Financial Statement Disclosures

We did not identify any financial statement disclosures that are particularly significant, sensitive or require significant judgments, that we believe should be specifically drawn to your attention.

Uncorrected Misstatements

We accumulated uncorrected misstatements that we identified during our audit and communicated them to management. We then requested that management correct these misstatements. All uncorrected misstatements for the current period have been corrected.

There are no uncorrected misstatements from prior year financial statements.

Significant Deficiencies in Internal Control

A deficiency in internal control exists when a control is designed, implemented or operated in such a way that it is unable to prevent, or detect and correct, misstatements in the financial statements on a timely basis, or when a control necessary to prevent, or detect and correct, misstatements in the financial statements on a timely basis is missing.

A significant deficiency in internal control is defined as a deficiency or combination of deficiencies in internal control that, in the auditor's professional judgment, is of sufficient importance to merit the attention of those charged with governance.

To identify and assess the risks of material misstatement in the financial statements, we are required to obtain an understanding of internal control relevant to the audit. This understanding is used for the limited purpose of designing appropriate audit procedures. It is not used for the purpose of expressing an opinion on the effectiveness of internal control and, as a result, we do not express any such opinion. The limited purpose also means that there can be no assurance that all significant deficiencies in internal control, or any other control deficiencies, will be identified during our audit.

We did not identify any control deficiencies that, in our judgment, would be considered significant deficiencies.

Written Representations

In a separate communication, as attached, we have requested a number of written representations from management in respect to their responsibility for the preparation of the financial statements in accordance with Canadian generally accepted accounting principles.

Other Audit Matters of Governance Interest

We did not identify any other matters to bring to your attention at this time.

We would like to thank management and staff for the assistance they provided to us during the audit.

CHARTERED PROFESSIONAL ACCOUNTANTS LLP

Other Audit Matters of Governance Interest *(continued)*

We hope the information in this audit findings letter will be useful. We would be pleased to discuss them with you and respond to any questions you may have.

This letter was prepared for the sole use of those charged with governance of Central Coast Regional District to carry out and discharge their responsibilities. The content should not be disclosed to any third party without our prior written consent, and we assume no responsibility to any other person.

Yours truly,

PMT CHARTERED PROFESSIONAL ACCOUNTANTS LLP

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The consolidated financial statements of Central Coast Regional District have been prepared in accordance with Canadian public sector accounting standards. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. These statements include certain amounts based on management's estimates and judgments. Management has determined such amounts based on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

The integrity and reliability of Central Coast Regional District's reporting systems are achieved through the use of formal policies and procedures, the careful selection of employees and an appropriate division of responsibilities. These systems are designed to provide reasonable assurance that the financial information is reliable and accurate.

The Board of Directors is responsible for ensuring that management fulfills its responsibility for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Board meets periodically with management and the Central Coast Regional Districts' auditors to review significant accounting, reporting and internal control matters. The Board reviews the financial statements and discusses with the auditors, prior to its approval of the financial statements. The Board also considers and approves the engagement or re-appointment of the external auditors.

The consolidated financial statements have been audited on behalf of the members by PMT Chartered Professional Accountants LLP, in accordance with generally accepted auditing standards.

Chairman of the Board of Directors

Chief Administrative Officer

INDEPENDENT AUDITOR'S REPORT

To the Members of Central Coast Regional District

We have audited the accompanying consolidated financial statements of Central Coast Regional District, which comprise the consolidated statement of financial position as at December 31, 2016 and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

(continues)

Independent Auditor's Report to the Members of Central Coast Regional District *(continued)*

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Central Coast Regional District as at December 31, 2016 and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

CENTRAL COAST REGIONAL DISTRICT
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

1. Purpose

The Central Coast Regional District (the "District") operates under the provisions of the Local Government Act and the Community Charter of British Columbia. Its principal activities include the provision of local government services to residents of the region. These include general government, protective, water, airport and recreation services.

2. Significant accounting policies

Basis of presentation

The consolidated financial statements of the District are prepared by management in accordance with Canadian generally accepted accounting principles for local governments, as prescribed by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada.

Funds of the District

For accounting and financial reporting purposes, the resources and operations of the District are segregated into the the General Operating, Water Operating, General Capital, Water Capital and Reserve Funds.

Each fund is recorded as a separate entity which is identified in its statement of financial position and where applicable, its statements of revenue and expenditures and equity. Transfers between funds are recorded as adjustments to the appropriate fund balance. Fund statements are presented as supplementary information to the consolidated financial statements.

Principles of consolidation

The consolidated financial statements include accounts of all funds of the District. Interfund balances and transactions have been eliminated.

Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Financial assets measured at amortized cost include cash and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Accrual accounting

The accrual method for reporting revenues and expenditures, including capital expenditures, has been used. Revenues are recorded in the period they are earned. Expenditures are recorded as the cost of goods or services in the period they are obtained.

Administration apportionment

A percentage of certain budgeted administration expenses of the District has been allocated to other functions. These expenses include audit fees, bank charges, liability insurance, wages and related costs of the administrative staff, board representation and governance, office, stationary and telephone.

(continues)

CENTRAL COAST REGIONAL DISTRICT
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

2. Significant accounting policies (*continued*)

Cash and cash equivalents

Cash and cash equivalents consist of cash on hand less outstanding cheques and deposits with a maturity of less than three months at the time of purchase and term deposits with a maturity of less than one year. When outstanding cheques are in excess of cash on hand, the excess is reported in bank indebtedness.

Tangible capital assets

Tangible capital assets are recorded in the General Capital Fund and Water Capital Fund at cost or deemed cost, which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset less accumulated amortization.

Contributed tangible capital assets are recorded at fair value at the date of receipt and also are recorded as revenue.

Leases which transfer substantially all of the benefits and risk incidental to ownership of property, are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are included in expenses as incurred.

The costs, less residual values, of the tangible capital assets, excluding land are amortized using the declining balance method, at the following rates over their estimated useful lives as follows:

Buildings	4%
Furniture and equipment	20%
Parks and recreation projects	20%
Paving	5%
Vehicles	30%
Water distribution system	4%

The District regularly reviews its tangible capital assets to eliminate obsolete items. Government grants are treated as a reduction of tangible capital assets cost.

Tangible capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

Revenue recognition

Grants and contributions (other than grants in lieu of taxes) are recorded when receivable. Grants in lieu of taxes are recognized at the earlier of when received or when money is determined to be more likely than not collected.

Revenue unearned in the current period is recorded as deferred contributions.

Interest

The District follows the practice of investing individually significant unspent funds within individual funds. Interest earned is allocated on the basis of actual earnings from the specific instruments. Excess funds or temporary borrowings of all functions and capital projects are pooled and interest income or expense is allocated to the individual functions and capital projects on a monthly basis.

(continues)

CENTRAL COAST REGIONAL DISTRICT
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

2. Significant accounting policies (*continued*)

Taxation

Each Electoral Area within the District is requisitioned for their portion of each service in which they participate. These funds are then levied by the Province (for Electoral Areas) to individual taxpayers and turned over to the District by August 1 of each year.

Budget reporting

Unaudited budget figures shown represent the Financial Plan Bylaw adopted by the Board on March 10, 2016. These figures do not reflect subsequent amendments made by the Board of Directors to reflect changes in the budget throughout the year as required by law.

Measurement uncertainty

The preparation of consolidated financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenditures during the reporting period. Significant areas requiring use of management estimates relate to the collectibility of accounts receivable. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

3. Financial instruments

The District is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the District's risk exposure and concentration as of December 31, 2016.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the District manages exposure through its normal operating and financing activities. The District is exposed to interest rate risk primarily through its variable interest rate long term indebtedness.

There is no change in the risk exposure from the previous period.

Unless otherwise noted, it is management's opinion that the District is not exposed to significant other financial instrument risks arising from these financial instruments.

CENTRAL COAST REGIONAL DISTRICT
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

4. Cash and cash equivalents

	<u>2016</u>	<u>2015</u>
Cash - operating	\$ 16,867	\$ (79,978)
Cash - savings	522,317	812,147
Term deposits	166,438	164,546
Short term investments	515,746	710,995
Equity shares at the Williams Lake and District Credit Union	1,000	1,000
	<u>\$ 1,222,368</u>	<u>\$ 1,608,710</u>

Restricted and unrestricted cash

Internally restricted cash - Statutory reserves	\$ 153,367	\$ 93,113
Unrestricted cash	1,069,001	1,515,597
	<u>\$ 1,222,368</u>	<u>\$ 1,608,710</u>

Short-term investments are held in Municipal Finance Authority (MFA) pooled money market fund with an annual rate of return of approximately 0.79% (2015 – 0.85%)

The District has a line of credit, secured by a term deposit with a maximum of \$200,000. Interest is payable monthly at prime rate. As of December 31, 2016 the outstanding balance was \$NIL and there was available credit of \$200,000.

5. Accounts receivable

	<u>2016</u>	<u>2015</u>
Trade and other receivables	\$ 63,020	\$ 109,188
Local government	-	736
Provincial government receivables	14,854	1,826
Federal government receivables	28,426	8,094
	<u>\$ 106,300</u>	<u>\$ 119,844</u>

6. Other assets - Debt Reserve Fund

The Municipal Finance Authority of British Columbia (MFA) provides capital financing for regional districts and their member municipalities. MFA is required to establish a Debt Reserve Fund. Each regional district, through its member municipalities who share in the proceeds of a debt issue, is required to pay into the Debt Reserve Fund certain amounts set out in the debt agreements. MFA pays into the Debt Reserve Fund these monies from which interest earned thereon less administration expenses becomes an obligation to the regional districts. It must then use this Fund, if at any time there are insufficient funds, to meet payments on its obligations. If this occurs, the regional districts may be called upon to restore the Fund.

Upon the maturity of a debt issue, the unused portion of the Debt Reserve Fund established for that issue will be discharged to the District. The District has estimated that there is only a remote possibility that these funds will not be paid to it and therefore these funds have been included in other assets

CENTRAL COAST REGIONAL DISTRICT
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

7. Accounts payable and accrued liabilities

	<u>2016</u>	<u>2015</u>
Trade and other payables	\$ 153,634	\$ 50,881
Local government payables	1,682	-
Provincial government payables	4,263	2,995
Federal government payables	-	9,813
	<u>\$ 159,579</u>	<u>\$ 63,689</u>

8. Deferred contributions

Deferred contributions consists of funds received from grants for specific projects with conditions placed on its use for which the related conditions have not yet been met.

The deferred contributions are allocated from the following functions:

	<u>2016</u>	<u>2015</u>
General Operating Fund		
Administration	\$ 19,918	\$ -
Emergency Management Initiative	26,316	26,316
	<u>\$ 46,234</u>	<u>\$ 26,316</u>

9. Long term financing - Water Capital Fund

	<u>2016</u>	<u>2015</u>
Municipal Finance Authority loan	<u>\$ 145,854</u>	<u>\$ 166,276</u>

Security Issuing By-law #275 was enacted November 17, 1997. Repayment of the financing is on a semi-annual basis with payments of \$9,760 on May 5 of each year commencing in 1998 and payments of \$18,246 payable on November 5 of each year commencing in 1998. Final payment based on actuarial calculations will be made on November 5, 2022. It is estimated that the District will have accumulated the necessary funds to cover this debt as early as December 31, 2017 using assets on hand. The MFA debt has an interest rate of 5.85%

Parcel taxes were elevated to fund the payments made on the long-term financing. Sufficient funds have been accumulated to allow the District to reduce the parcel tax for 2018.

Interest paid on long-term debt included in payments from the General Operating Fund are \$19,521 (2015 - \$19,521).

(continues)

CENTRAL COAST REGIONAL DISTRICT
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

9. Long term financing - Water Capital Fund (continued)

Principal repayment terms are approximately:

2017	\$	8,486
2018		8,486
2019		8,486
2020		8,486
2021		8,486
Thereafter		<u>103,424</u>
	\$	<u>145,854</u>

10. Landfill Post Closure Liability

The District has entered into the planning and approval process for an expansion to the existing landfill site. However, the size and terms of any potential future expansion are at this time unknown.

The District operates a landfill and is responsible for closure and post closure care under the Waste Management Act of British Columbia. These future site restoration costs are recognized based on assumptions, engineering studies and estimates to the costs of future removal and site restoration. Changes to the underlying assumptions or legislative change in the future could have a material impact on the statements. As the costs for closure and post closure care are not readily determinable, the District has recognized an expense of \$30,000 (2015 - \$30,000) for future site restoration costs.

The write-down of tangible capital assets during the year was \$NIL (2015 - \$NIL).

CENTRAL COAST REGIONAL DISTRICT
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

12. Commitments and contingencies

a) The District has entered into the following lease agreements:

	Term	Expiry date	Annual lease cost
Arena	30 years	July 18, 2041	\$1.00
Centennial Pool	50 years	March 31, 2058	\$1.00
Thorsen Creek Waste and Recycling Center	10 years	July 12, 2022	\$1.00

b) During the course of the year, the District may be a defendant in a lawsuit. The District reviews any claims or potential claims made against it on a yearly basis to determine if they would be covered by insurance, and if not, whether a claim that would not be successfully defended would have a material effect on the consolidated financial statements.

The management of the District is not aware of any claims or potential claims that if not successfully defended would have a material effect on the consolidated financial statements. If a claim was paid as a result of the outcome of litigation it would be treated as an expenditure.

c) The District and its employees contribute to the Municipal Pension Plan (a jointly trusted pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2015, the plan has about 189,000 active members and approximately 85,000 retired members. Active members include approximately 37,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate is then adjusted to the extent there is amortization of any funding deficit.

The most recent valuation for the plan as of December 31, 2015, indicated a \$2,224 million funding surplus for basic pension benefits on a going concern basis.

The Central Coast Regional District paid \$40,433 (2015 - \$35,093) for employer contributions while employees contributed \$30,870 (2015 - \$27,337) to the plan in fiscal 2016.

The next valuation will be as at December 31, 2018, with results available in 2019.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the Plan.

CENTRAL COAST REGIONAL DISTRICT
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

12. Commitments and contingencies (continued)

- d) The District is a member of the Municipal Insurance Association of British Columbia. As a member of this association, the District is contingently liable for claims in excess of the insurance fund.
- e) Community Works Fund
 The District is a participant under the Community Works Fund that provides for the District receiving Federal gas taxes transferred under the New Deal for Cities and Communities signed by the Union of BC Municipalities, the Province of BC, and the Government of Canada.

Although the District has some latitude in determining which projects to pursue, the agreement provides that the projects must address investments in capital and capacity building projects to build and revitalize public infrastructure that supports national objectives of productivity and economic growth, a clean environment and strong communities.

14. Related party transactions

The District is related to the Central Coast Regional Hospital District as the members of the Board of Directors of the District form the majority of the members of the Board of Directors of the Central Coast Regional Hospital District. As legislated by the Hospital District Act, the officers and employees of the Central Coast Regional Hospital District are the corresponding officers and employees of the Central Coast Regional District. Each of the Regional District and the Hospital District are separate legal entities as authorized by separate legislation.

During the year, the Central Coast Regional Hospital District received accounting and management services from the District and paid \$13,325 (2015 - \$13,325) for these services.

During the year, the District received \$2,023 (2015 - \$NIL) from Bella Coola Vehicle Rentals, a business owned by the ex-spouse of a key staff member, for office space at the Bella Coola airport.

During the year, the District received \$945 (2015 - \$NIL) from Monarch Resource Consultants Ltd., a business owned by a key staff member, for the airport lease.

These transactions are in the normal course of business and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

Transfer to General Capital Fund	<u>713,969</u>	<u>237,432</u>
	<u>\$ 744,223</u>	<u>\$ 265,764</u>

17. Restatement of Budget

The summary below reconciles the 2016 adopted financial plan to the consolidated statement of operations.

	<u>2016</u>	<u>2015</u>
Budgeted consolidated net revenue for the year	\$ 984,331	\$ 1,001,924
Tangible capital asset acquisitions	(109,687)	(125,395)
Net transfers to reserves	<u>(30,254)</u>	<u>(28,332)</u>
Budgeted consolidated net revenue, as re-stated	<u>\$ 844,390</u>	<u>\$ 848,197</u>

18. Comparative figures

Some of the comparative figures have been reclassified to conform to the current year's presentation.

AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

To The Board of Directors of The
Central Coast Regional District

We have audited and reported separately on the consolidated financial statements of the Central Coast Regional District as at December 31, 2016 in accordance with Canadian generally accepted auditing standards.

We conducted our audit for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The current year's supplementary information included in Statements A - L and Schedules 1 - 19 are presented for purposes of additional information and is not a required part of the consolidated financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.
