ADDENDUM #1

DESIGN-BUILD SERVICES – BELLA COOLA AIRPORT TERMINAL ENHANCEMENTS

The closing date for submission of proposals is amended to 2:00 p.m. local time, March 31, 2022.

The Central Coast Regional District (CCRD) is seeking proposals from qualified proponents with demonstrated experience in providing design-build services for commercial/institutional facilities.

The Regional District seeks to upgrade the front entrance of the airport terminal building to meet accessibility standards as well as complete other upgrades to the building interior that will improve efficiency and accessibility.

RFP packages are available for digital download from BC Bid <https://www.bcbid.gov.bc.ca/> and the Regional District Website www.ccrd.ca
