

CALL FOR EXPRESSIONS OF INTEREST

PROJECT MANAGERS

The Central Coast Regional District (CCRD) is undertaking a number of capital projects over the next several years. The projects include, but are not limited to:

- Floodplain modelling/mapping and mitigation planning
- Facility construction
- Landfill / Transfer Station / Composting projects
- Water System Upgrades

Contractors interested in providing hourly project management/supervision consulting services related to any of the above projects are encouraged to submit an Expression of Interest (EOI) to the CCRD.
