**Central Coast Regional District
REQUEST FOR PROPOSALS – PICKUP TRUCK
HEV Pickup Truck 2024-01 - ADDENDUM #1**

ADDENDUM #1

The Central Coast Regional District (CCRD) amends its recently posted Request for Proposals for an HEV Pickup Truck 2024-01 issued on November 29th, 2024 as follows:

1. For clarity, the Scope of Work is hereby amended to include reference to “2022 or newer”. The opening sentence of the Scope of Work now reads as follows: “The Central Coast Regional District (CCRD) is requesting proposals for the supply and delivery of one (1) new 2022 or newer pickup truck.”
2. The VEHICLE SPECIFICATIONS, General Specifications shall be amended to include a maximum mileage of the vehicle sought by the CCRD, by adding the following general specification at the end of the list of general specifications in that part:
 - a. The vehicle must have an odometer reading of 50,000 kilometers or less.
3. The VEHICLE SPECIFICATIONS, General Specifications, Payload capacity shall be amended by replacing “Payload Capacity – 1800 lbs” with “Payload Capacity – 1600 lbs”.
4. For clarity, Schedule “A” has been updated to require proponents to specify the vehicle's total kilometers as recorded on the odometer in row 4.
