

You're Invited

Join Us VCH Virtual Open Board Forum

Vancouver Coastal Health's Board of Directors and senior leadership invite you to our virtual Open Board Forum. This meeting is dedicated to our communities in Sea to Sky, Sunshine Coast, Powell River and the Central Coast including Bella Coola and Bella Bella.

Open to the public, our virtual Open Board Forum is an opportunity to join a conversation with our Board and for us to hear from you. The Board Chair and senior leaders will provide updates on COVID-19 as - more than ever - we want to stay connected to our communities in our Coastal region.

The meeting will stream online and we invite you to send questions in advance to ce@vch.ca. To join us, please email us at ce@vch.ca and we will send you a link to the streaming Open Board Forum a few days before the meeting.

EVENT

Vancouver Coastal Health
Virtual Open Board Forum
