

CENTRAL COAST REGIONAL DISTRICT POLICIES

A-12 - Pool Closure Due to Inclement Weather

Preamble: Due to staffing requirements and low attendance in inclement weather, it would be cost effective and practical to close the pool to the public if the weather is uncomfortable for swimming.

Policy: That the Centennial Pool may be closed to the public at 12:00 pm if conditions warrant.

The Pool Manager has the authority to close the pool provided that the following are adhered to:

1. The Pool Manager will send an e-mail to the commission members and the CCRD office.
2. Notice of Closure will be posted in a conspicuous location at the pool and on social media, and will include apologies to the public for any inconvenience.
3. Pool employees will not be compensated for periods of closure when they are not in attendance at the pool.
4. This policy is subject to the provisions of the *BC Employment Standards Act*.
