3. *The meeting is called to order at _____ a.m.*

2. Adoption of Agenda – Introduction of Late Items

Recommended Motion: "That the agenda be adopted as read / or amended by adding..."

3. Disclosures of Financial Interest

The Chair to remind Board Members of the requirements of Sections 100(2)(b) and 101(1)(2) and (3) of the *Community Charter* to disclose any interest during the meeting when the matter is discussed.

A declaration under these section(s) requires that the nature of the interest must be disclosed. Consequently, a member who has made a declaration must not preside, participate in, or be present during any discussion or decision making procedure relating to the matter the subject of the declaration.

The following pro forma declaration is provided to assist in making the disclosure:

*"I, Board Member ***** disclose that in accordance with Sections 100(2)(b) and 101(1)(2) and (3) of the Community Charter, I have a ***** (indirect/direct) **** (pecuniary/other) interest that constitutes a conflict of interest in item *** (*).*

*The reason for my declaration is: the item being discussed is *****.*

I will leave the room during the discussion of this item, in accordance with Section 101(1) and (2) of the Community Charter. "

4. Disclosures of Interests Affecting Impartiality

The Chair to remind Board Members that in the interest of good governance, where there is a perceived interest that may affect their impartiality in consideration of a matter, a declaration should be made. This declaration does not restrict any right to participate in or be present during the decision-making procedure.

The following pro forma declaration is provided to assist in making the disclosure.

"With regard to the matter in item x.... I disclose that I have an association with the applicant (or person seeking a decision). As a consequence, there may be a perception that my impartiality on the matter may be affected. I declare that I will consider this matter on its merits and vote accordingly."

(D) EXECUTIVE REPORTS

a. Electoral Area Reports

Chair and Area E Report: Chair Schooner

Chair Schooner shared that their training in January was very beneficial and thanked the rest of the Board for being there. He provided a bit of background on the Northern Development Initiative meeting in Terrace. Chair Schooner advised the Board that he has been personally going around and talking to constituents about the rising water tolls and that he has been getting some amazing responses. Chair Schooner announced that Northern Development Initiative Trust will be having a board meeting in Bella Coola in July 2019.

Area A Report: Alternate Director Hadley

Alternate Director Hadley shared that Director Bertrand spent some time with the CEDO and gathering information from all the different communities toward getting their priorities captured for the upcoming Strategic Planning workshop. Alternate Director Hadley indicated that he spent a lot of time in Denny Island himself discussing the upcoming petition and trying to make it go forward. Alternate Director Hadley advised that with the help from the CCRD Board, Denny Island has been able to purchase a composter and bailer for their recycling program and are just waiting for transportation to Denny Island.

Area B Report: Director Hall

Director Hall shared that it has been quiet a busy month considering the training that the Board has done. He updated the Board that he has recently been appointed to the Central Coast Resource Alliance (CCIRA) Board. Director Hall shared that his appointments to the UBCM have been very interesting. He indicated that he has had some training through them and finds it very beneficial in his role as a local government Director. Director Hall shared that Indigenous Relations

is one of his portfolios with UBCM. He shared that the training sessions are very valuable for moving ahead.

Director Hall provided the new Board members some background on Financing Reconciliation and acknowledged that he is grateful for the CAO's work with identifying solutions.

Director Hall informed the Board that he is also on the Central Coast Health Authority Board. Director Hall advised that the central coast health organizations developed between the Nations have had a caucus in Vancouver. Director Hall has requested a letter of support to the Wuikinuxv Nation addressing their patient travel issues. He advised that Wuikinuxv members are being left in Port Hardy with nowhere to go, when they are dealing with their health issues. Director Hall shared that he has requested their Health Board and Council provide letters of support to Wuikinuxv. He then shared that the outcome of the Caucus was the need to adhere to and make necessary changes to the policy.

19-02-44 M/S Directors Kennedy/Tallio that the Board of Directors of the Central Coast Regional District provide a support letter acknowledging the need for redress of the Wuikinuxv Nation Patient Travel Program shortfalls. **CARRIED**

Area C Report: Director Kennedy

Director Kennedy spoke the Board's attendance at the Local Government Leadership Academy (LGLA) in January and shared that it was a great learning opportunity. She advised the Board that she went from there to the Vancouver Island Regional Library Board Meeting in Nanaimo and that she is trying to get information on programs happening out there and bring them to the Central Coast so we are not missing out on them. Director Kennedy further advised that she then went to IMPACT which is a tourism and travel sustainability conference representing her own personal business but gained a lot of knowledge relevant to her work as the Area C representative. Director Kennedy indicated that she is looking forward to participating in the Board's Strategic Planning and the future of our region with regards to tourism and hopes to help build a strong community with growth in the tourism sector where the money stays in the economy and local.

Director Kennedy shared that she received a request from the Caribou Chilcotin Coast Tourism Association (CCCTA) that they would like to hold their AGM here in Bella Coola. If it were to take place in 2019 it would take place November 1-3, 2019 or in 2020.

Director Kennedy shared that the CCRD has been invited to have a seat on the Bella Coola Human-Bear Safety Committee; their next meeting is on February 20, 2019 and their last meeting prior to that was in August 2018.

Director Kennedy advised that she will be attending the BC Tourism Industry Conference February 26-March 1, 2019.

Director Kennedy indicated that she had planned to take part in the Red Cross Ready Rating Pilot Project that was supposed to happen, but the event was postponed because the lady who was organizing the event got stuck in an elevator and missed her flight.

- 19-02-45 M/S Directors Hadley/Hall** that the Directors of the Central Coast Regional District authorize Director Kennedy to represent the CCRD on the Human-Bear Safety Committee. **CARRIED**

Area D Report: Alternate Director Tallio

Alternate Director Tallio shared a message from Director Northeast. Director Northeast is out of town on business and Thomas Tallio, agreed to serve as alternate and agreed to stand in for him at the Board meeting and the Strategic Planning session on Friday February 15, 2019. Director Northeast will call in to the meeting on Saturday morning and shared that Director Northeast's desire is to be a part of the conversation that will set priorities for moving our communities forward. Director Northeast remains committed to working with Nuxalk Nation to build capacity to build capacity and self-sufficiency in our Valley and other coastal communities to do the same. Preparing for and responding to emergency training needs to continue; as do efforts to create meaningful jobs through the economic development service. The Red Cross Program, JIBC, ESS and EOC training are good examples of these. Further many of the services and facilities that we enjoy exist because of the volunteers and not for profit societies and Boards. Director Northeast is looking for ways to encourage and support those who give their name and time and resources to these committees and finding ways to increase communications between organizations; among these is a good start.

Director Northeast shared that he will be meeting with the Harbour Authority on February 20, 2019 to learn about the Harbour and its needs. He is optimistic that through the Strategic Planning the CCRD can add improving needed infrastructure, create more recreational facilities and provide more services. Most of these ambitions will require support from senior levels of Government, Private Sectors and First Nations. As the Director for Area D, Director Northeast remains committed to this.

REQUEST FOR DECISION

To: Board of Directors

From: Courtney Kirk, CAO

Meeting Date: March 14, 2019

Subject: CCRD Strategic Plan 2019-2022

Recommendation:

THAT the Board of Directors of the Central Coast Regional District adopts the CCRD Strategic Plan 2019-2022

Issue/Background Summary:

From February 14-16, 2019 a comprehensive planning workshop was held in Bella Coola with CCRD directors and alternates to develop a four year strategic plan (2019-2022). CCRD Chair Schooner (Area E), Director Hall (Area B), Director Kennedy (Area C), Alternate Director Tallio (Area D), and Alternate Director Hadley (Area A) were in attendance, as well as Director Northeast (Area D, portion). CAO Kirk supported the Board's discussion which was led by consultant Randy Diehl.

Financial/Budgetary Implications:

The financial impact of the four strategic plan is considerable as along with regular service and administration needs, the plan forms the fundamental basis for the 2019 budget draft and 5 year financial plan.

Time Requirements – Staff and Elected Officials:

The plan outlines action items (projects and priorities), sponsors (who will do it), and target dates (when deliverables hope to be achieved) and is a guidepost for both the Board and Administration is developing priorities, work plans and budgets. What is not included in the plan are the regular day-to-day Administrative tasks to keep the regional and area specific services operating and Board governance over same.

Options to Consider:

1. To move forward with the recommendation as stated;
2. To substantially revise the draft plan according to directors' comments/critique and bring the revisions back for future Board consideration.

Issue/Background Summary:

On February 15th, 2019 a standalone session was held on 2019/20 Financing Reconciliation advocacy potential as part of the CCRD Board of Directors 2019-2022 Strategic planning workshop. CCRD Chair Schooner (Area E), Director Hall (Area B), Director Kennedy (Area C), Alternate Director Tallio (Area D), and Alternate Director Hadley (Area A) were in attendance. CAO Kirk and consultant Randy Diehl supported the Board's discussion which was led by consultant Alison Sayers.

An overview of the work to date on Financing Reconciliation was presented to the Board followed by a discussion of possible next steps. The discussion formed the basis of a draft strategic plan to map out CCRD's potential ongoing advocacy work through 2019 and into 2020. A major focal point of the plan is implementation of Resolution OF1 (endorsed by UBCM) which resolved:

...[T]hat UBCM work with the Central Coast Regional District and Alberni-Clayoquot Regional District to host a provincial Community to Community Forum on Resolution B150 Financing Reconciliation: Solutions for Local Communities, with local governments and appropriate First Nations governing bodies;

And be it further resolved that UBCM hold a three hour workshop on Resolutions B150 Financing Reconciliation: Solutions for Local Communities at the 2019 Annual Convention.

Financial/Budgetary Implications:

It would be necessary to budget a significant portion of the 2019 Board expenses toward the full specter of the advocacy work contemplated. Approximately \$35,000 dollars dedicated directly to advocacy expenses would be necessary to execute the items contemplated in the advocacy plan. In addition, staff and board would be required to utilize indirect opportunities to further the advocacy plan where travel is required for other services and where overlap is possible. The projected direct expenses include travel costs, convention costs, Board remuneration, and consultant expenses. The 2019 budget would also require higher than normal staff travel expenses to provide sufficient administrative support to the initiatives.

It should be noted that pro bono resources would likely continue to be invested by other parties into the CCRD advocacy efforts, as well as the investment by ACRD and UBCM into the collective advocacy work.

Time Requirements – Staff and Elected Officials:

A significant amount of elected official time is required to understand the issues being tackled, align (or not) with the approach taken to date, and if supportive carry forward the advocacy work, including building awareness of and participating in the upcoming provincial community to community forum and the three hour workshop built on the CCRD/ACRD panel presentation at UBCM 2019.

A significant amount of Administrative time is necessary to fulfill the advocacy plan particularly by CAO Kirk, with peak effort required in March/April, June and September 2019.

Options to Consider:

1. To move forward with the recommendation as stated;
2. To withdraw CCRD's participation in the CCRD/ACRD/UBCM Community to Community forum and three hour workshop
3. To substantially revise the draft plan according to directors' comments/critique and bring the revisions back for future Board consideration.

CCRD ITEM B(c)

UBCM 2018 Resolutions Book - B150

WHEREAS local governments and First Nations have inherited a problematic public service delivery regime that poorly finances on and off reserve local government service delivery;

AND WHEREAS local governments experience revenue deficits that impact shared and overlapping public service delivery to the entire local population, including First Nation populations, that are not fairly addressed through property tax requisition;

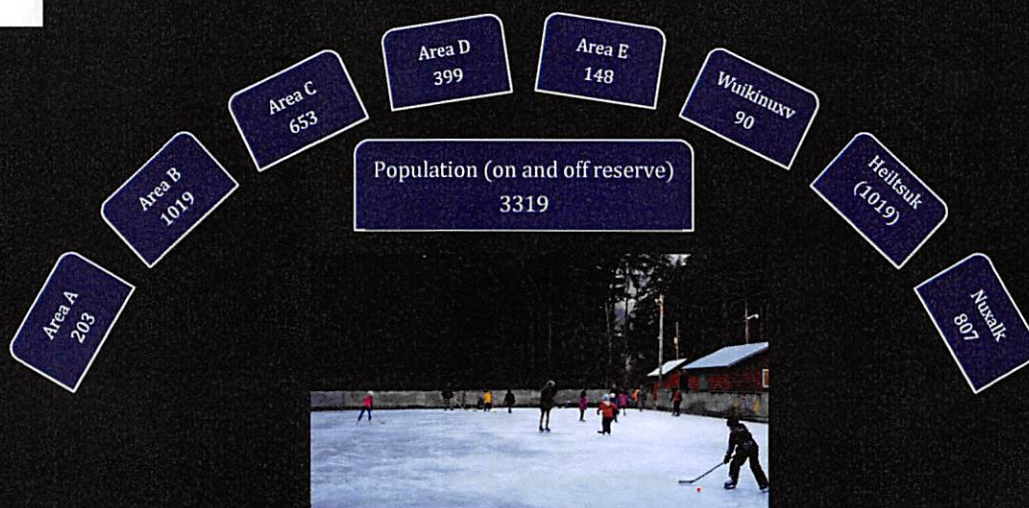

AND WHEREAS the federal government is constitutionally committed to providing "essential public services of reasonable quality to all Canadians" (*Constitution Act, 1982 s.36*), implemented in part through federal transfer payments;

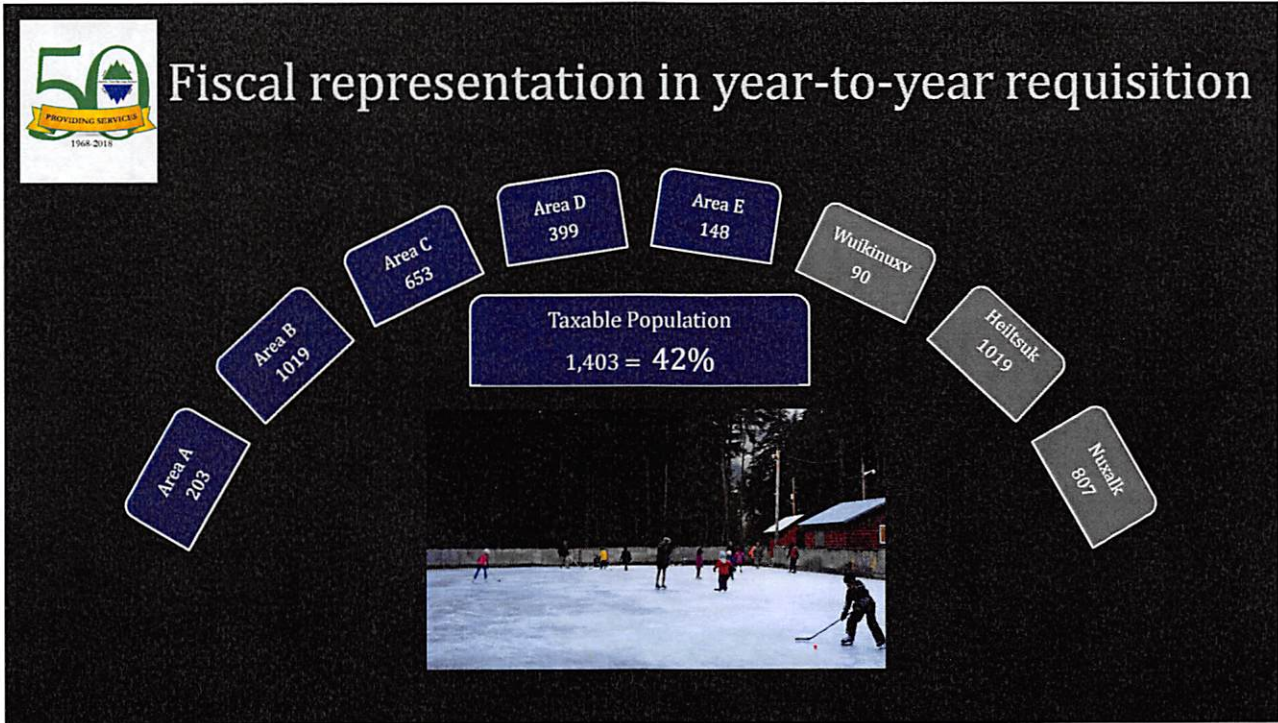

THEREFORE BE IT RESOLVED that UBCM request the Province of BC and the Government of Canada work with First Nations and local governments to explore and implement revenue solutions such as federal transfer payments, thereby supporting implementation of the Truth and Reconciliation Calls to Action and the commitments in UNDRIP;

AND BE IT FURTHER RESOLVED that to ensure First Nation participation in the management of said payments, UBCM request British Columbia, in consultation with First Nations, amend the *Local Government Act* accordingly.

And as it turns out parity in essential public services is such an entrenched Canadian value it is actually reflected in our written constitution at Section 36 right after our affirmation of Aboriginal rights in Section 35.

Commitment respecting public services

(2) Parliament and the government of Canada are committed to the principle of making equalization payments to ensure that provincial governments have sufficient revenues to provide reasonably comparable levels of public services at reasonably comparable levels of taxation.

Unrealized Potential of Section 36 in Guiding Conversations About Municipal Funding

- Very little judicial interpretation. Uncertain if it's justiciable.
- Apart from that, though, s 36 reflects constitutional aspirations and commitments.
- Even where they are not justiciable, constitutional aspirations and commitments are a serious matter that can guide conversations.
- Values in 36(1) overlap with equality principles of Constitution, and our understanding of them should also take account of reconciliation principles.

Common Problem: How Canadian Federalism is Perceived with First Nations Situated as a Numbered Power of the Federal Government

Treaty First Nation membership in regional district is permitted under the Act (What about non-treaty Nations?)

250 (1) If a final agreement provides for the membership of the treaty first nation in a regional district,

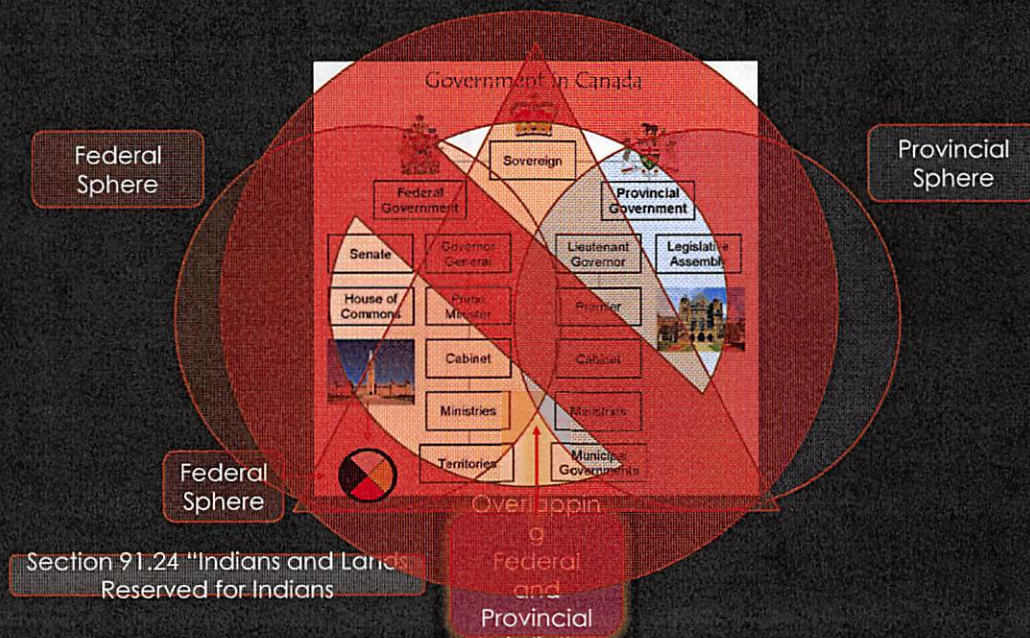

(a) this Act, as modified by this Part, applies to the treaty first nation as a member as if the treaty first nation were a municipality in the regional district, and

(b) the treaty first nation director has the same functions, powers, duties and obligations, as modified by this Part, as a municipal director.

(2) For certainty, to the extent that the *Community Charter* applies to a regional district of which a treaty first nation is a member or to a director as a member of the board, the *Community Charter* applies to the treaty first nation as a member of the regional district and to the treaty first nation director as a member of the board.

Commission aimed to repair relations between indigenous and non-indigenous people

4,000 page report, sweeping recommendations

"The commission was meant to "help restore justice to the relationship between aboriginal and non-aboriginal people in Canada, and to propose practical solutions to stubborn problems," according to the final report.

When the commission released its final five-volume, **4,000-page report**, it contained **recommendations** for dealing with a breadth of issues, including self-governance, treaties, health, housing, the north, economic development and education.

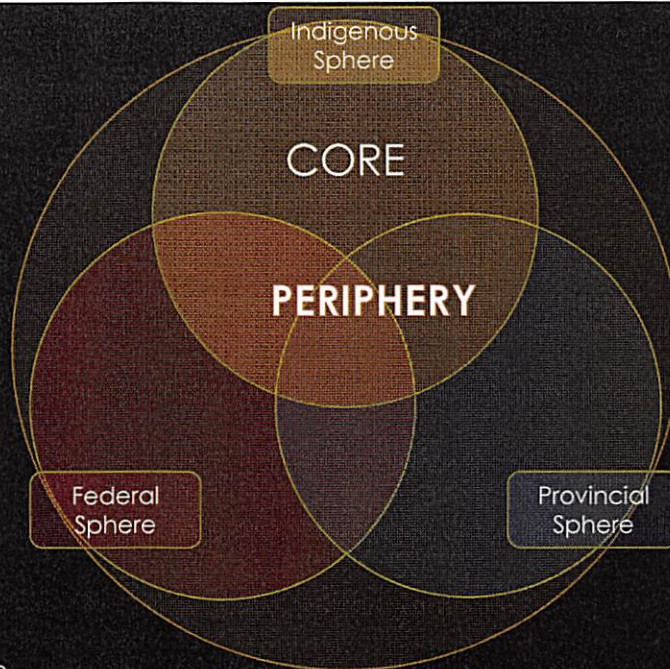

Operating on a reported \$60-million dollar budget, a total of five commissioners had a hand in crafting the report, **visiting 96 First Nation communities and holding 178 days of public hearings.**"

WHAT RCAP SAID...

The Royal Commission on Aboriginal Peoples developed this schematic to help Canadian governments to think different about federalism.

What we are hoping implementation of Resolution OF1 will look like

- ◆ Community to Community forum focus on our First Nation/local government decision-making relationships for local service delivery (water, waste management, regional economic development, fire suppression service etc.) what's working, what isn't, what structural solutions can we align on in our advocacy efforts toward change
- ◆ 3 hour workshop UBCM- technical presentation on how we can better finance the existing model as well as financing a restructured relationship that includes non-treaty First Nations

Embracing our Communities of the Central Coast – Stronger Together

REQUEST FOR DECISION

To: Board of Directors

From: Rose Liu, CFO

Meeting Date: March 14, 2019

Subject: 2019-2023 Financial Plan Approval

Recommendation:

THAT the amount of \$9,000 be approved as an expenditure of the Asset Replacement Fund for furnace replacement in General Operations; and

THAT the amount of \$9,000 be approved as an expenditure of the Asset Replacement Fund for a new heating unit at the Swimming Pool.

Issue/Background Summary:

After extensive discussion with the staff, we have prepared 2019 budget based on 2018 actuals as well best estimate of 2019 revenues and expenses. We intend to align the budget with the Board's strategic goals and use the budget as a tool to support the Board's five-year strategic plan.

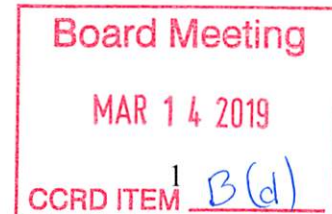

Policy, Bylaw or Legislation:

Part 24, *Local Government Act*

Financial/Budgetary Implications:

An overall tax levy increase of 2.1%

Time Requirements – Staff and Elected Officials:

None

Highlights:

Overview of CCRD 2019 Budget:

- Total Revenues: \$4.37 million
- Surplus, Begin of Year: 0.68 million
- Total Expenses: \$4.70 million
- Surplus, End of Year: 0.35 million (Grant)
- Total 2019 Tax Levy: \$760,261 (2018 - \$744,611)

Options to Consider:

1. Adjusted Apportioned Administrative Cost

In accordance with Section 379, *Local Government Act*, and CCRD policy, we have adjusted Apportioned Administrative costs based on staff's estimate of time allocated to each service. This methodology reflects the Regional District's cost incurred in relation to each service that we have established.

2. Furnace Replacement for the CCRD Office

The furnace in the CCRD office broke down in December 2018. We request \$9,000 from General Operations' Asset Replacement Fund to be used to replace the furnace. The furnace's age is unknown and was possibly made in 1994. Currently the General Administration's Asset Replacement Fund contains \$17,358.

3. Heating Unit Replacement for the Pool

The Centennial Pool Commission has scheduled the Pool heating unit repairs for April 2019.

In the event that the heating system stops working during the early pool season, it is requested that the Pool Asset Replacement Fund is used to purchase a new system at a cost of about \$9,000. Currently, the Pool's Asset Replacement Fund contains \$21,724. The pool is facing construction and 2019 is its last season prior to its demolition. The new heating unit, if purchased, will be resold or possibly used for the new pool.

In the event that the heating unit breaks down during the latter part of the pool season, early closure of the pool is recommended.

4. Adjustment to Fire Protection (Area E) Contribution to Reserve Account:

After we purchased a fire truck during 2018, \$10,133 is remaining in the Contribution to Reserve Account under Fire Protection (Area E), which is set up for restricted use of purchasing a fire truck. The CCRD doesn't foresee to purchase another fire truck in the near future.

To use the fund efficiently, 4,000 is transferred to Asset Replacement Fund and \$6,133 is transferred to Contingency fund under Fire Protection (Area E), at a total of \$10,133.

CENTRAL COAST REGIONAL DISTRICT
Development Services
March 2019 REPORT

TO: Courtney Kirk, CAO
CC: Board OF Directors, CCRD
MEETING DATE: March 14th 2019
FROM: Matthew Wheelock, Community Economic Development Officer
SUBJECT: Development Services Monthly Report

RECOMMENDATIONS: That the Board of Directors of the Central Coast Regional District receive the report.

Denny Island Website

The Central Coast Chamber of Commerce has provided an update to say that the new website is in progress.

Bella Bella Active Community Grant

The CEDO spoke with a member of the Denny Island Recreation Commission regarding the status of the project. The member confirmed that the project is going ahead and the Commission is about to advertise for staff. The Commission has secured a deadline extension on the project until September 2019. The Commission is currently seeking additional grant funding to cover accommodation cost for the swimming teacher.

EDAC

To comply with EDAC's updated Terms of Reference, the Board is required to approve and appoint the members of EDAC. The CEDO has provided a resolution request in this regard.

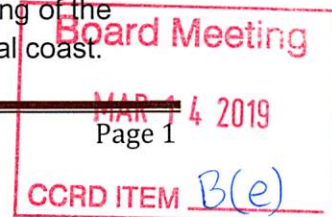

New CCRD Website

Administration has completed the discovery meeting with UPANUP. The CEDO will be presenting UPANUP's initial draft design of the new website to the Directors at the board meeting for feedback and input. Administration are continuing to progress the project, initially in relation to navigation and structure.

Branding Initiative

In order to progress the grant funding the CCRD received for refreshing the CCRD brand, administration is, with Board approval, seeking to invite artists from all the communities in the Central Coast to submit a small representative portfolio of their work to a panel from Coast Mountain College to select the chosen artist. The selected artist will then be given a commission to develop a brand that reflects the communities of the Central Coast. The commission will involve visiting each of the communities in the central coast to gain an understanding of the various cultures, histories and ingredients that make up the 'character' of the central coast.

March 14th, 2019

Once designed, the selected artist will then work with our web design company UPANUP to evolve the design so that it can be utilized effectively online and in print.

The CEDO is currently awaiting confirmation from Coast Mountain College regarding their willingness to be involved in this project.

Community Grant Writer Grant

Administration has placed advertising for a new Community Grant Writer. The information and advertisement has been provided to all the communities in the central coast. From the submissions received, a new grant writer will be selected in April.

Northern Development Initiative Trust Grant Funding for the Community Economic Development Officer

The CEDO is pleased to confirm that grant funding has been confirmed for the CEDO position.

Free Monthly Business Advice Walk-In Service

Further to discussions with Director Northeast, the first business advice session will be provided by the CEDO in the form of an informal workshop entitled "Top Ten Tips on Running a Business". It is hoped that this first workshop will create a level of awareness of the CEDO and his business consulting background that it is hoped will increase take up of the monthly Business Advice Walk-In Service.

Vancouver Coastal Health Authority funding for a Community Calendar

Vancouver Coastal Health has invited the CCRD to submit an invoice for \$3,500 to fund a community calendar as part of the new CCRD website.

Trip to Outer Coast

The CEDO would welcome the opportunity to speak to the board regarding clarification on how to best identify and progress the action items from each community that can be progressed by the CEDO.

Art Installation at the Bella Coola Airport

On Thursday March 7th Wally Webber, Clyde Tallio, Vanessa Hans, Dean Moody Chief Larry Moody, Chair Schooner, Ken McIlwain, Courtney Kirk, David Flagel and the CEDO attended a meeting at the airport to discuss the ideas, options and steps forward for the art installation. The CEDO will now liaise with Vanessa Hans to progress the project.

Bella Coola Community Forest Ltd

Bella Coola Community Forest Ltd has requested a meeting with the CEDO to discuss the Community Forest in the context of economic development. The CEDO seeks guidance and approval from the board for this meeting in the context of the current uncertainty as the CCRD's role relative to resource extraction sectors outside of local government legislative powers and responsibility. A letter from Bella Coola Community Forest Ltd is attached.

Notes from the British Columbia Economic Development Conference

Whilst attending the British Columbia Economic Development Conference in early March, the CEDO became aware of a number of opportunities and challenges that the central coast faces in relation to applying for grant funding and the consequential impact on economic development for the region. The opportunities and challenges as perceived by the CEDO are as follows, the central coast:

- Could collectively be seeking considerably more funding than it currently is
- Is held back by the fact that multiple applications often cannot originate from the same region
- Is hindered by the fact the applications from the same region will often compete against each other
- Is held back by our financial inability to cover the running costs of larger capital projects due to our gross tax revenues of \$750,000
- Could strengthen its application power and purchasing power by speaking as 'one voice' and making combined applications
- Would benefit from recruiting and training grant writers in each of our five communities to empower each community to make its own grant applications (however this would also create the risk of all five communities competing against each other)

The CEDO has two suggestions to help remedy the above challenges:

- Proactive and sustained lobbying of the relevant decision makers, influencers and provincial and federal government departments
- An annual or bi-annual Central Coast Economic Action Forum of key representatives to raise awareness and to facilitate collective and coordinated approaches to lobbying and to help the central coast speak as 'one voice' to overcome the aforementioned challenges

Dear Matthew,

As a director of Bella Coola Community Forest Ltd, (BCCFL) the company contracted to manage the Bella Coola Community Forest, I would like the opportunity to speak with you regarding issues of mutual concern.

Specifically, I would like to discuss the role of the community forest in the economic development of the valley. As part of our community outreach responsibilities, I would also like to discuss best practices in community engagement and other topics as they arise.

If you are available to meet with me, please propose a time and date that would work for you. I would welcome other participants if interested.

Thank you for your fine work in the economic development of the CCRD.

Sincerely

Re: Forest Enhancement Society of B.C. Jan 2019 Accomplishments Report

Central Coast Regional District

Dear Samuel Schooner and Regional District Directors,

British Columbians are concerned about climate change along with other environmental, safety, and economic concerns. They want to know specifically what their governments are doing to protect communities from wildfire risk, improve wildlife habitat, fight climate change, expand the bio-economy, and enhance B.C.'s forests. The enclosed Forest Enhancement Society of B.C. (FESBC) Accomplishments Report shows the huge amount of work underway in a vast number of communities across rural British Columbia. Citizens and governments alike will be pleased to see real-life local projects that are happening close to where they live.

FESBC achieves this work by granting funds provided by the Province of British Columbia and the Government of Canada to third parties who implement projects and treatments on the land base. It is likely there have been projects in and around your community being delivered by people who live in your local area. When the opportunity arises, please thank these people and our governments for assisting B.C. and Canada in achieving our shared vision of enhanced forest resilience for the lasting benefit of British Columbia's environment, wildlife, forest health, and communities. If you are one of the local governments who are directly involved in delivering projects in your area, please accept our gratitude.

There is a wide diversity in project proponents, from community forests to municipalities to government agencies, and others. The largest group funded is the 30% of the projects that have First Nations participation (49 projects valued at \$44 million). In many cases, it is a First Nation who is the lead agency that envisions, plans, and delivers these projects. When the opportunity arises, please help us to express our gratitude to these First Nations along with the other delivery organizations actively at work in your area.

If you or your fellow Directors are interested in further information, please visit our website www.fesbc.ca, send me an email, or give me a call.

Attention: Chair Samuel Schooner

Dear Chair Schooner:

**Subject: 2019 Economic Development Capacity Building
Northern Development Project Number 5949 20**

Thank you for your application to the 2019 Economic Development Capacity Building program. Northern Development is pleased to advise you that your application has been approved up to \$50,000 to support wages for the Community Economic Development Officer position.

Funding under the 2019 Economic Development Capacity Building program is provided as a reimbursement upon Northern Development's receipt of reporting documents. Complete reporting is required prior to February 28, 2020. Reporting must include a completed Economic Development Capacity Building program reporting form which can be found on Northern Development's website at www.northernddevelopment.bc.ca/funding-programs/capacity-building/economic-development-capacity-building/.

The Northern Development Board wants to see the Central Coast Regional District reach its economic potential and we look forward to being a partner in that endeavor.

Sincerely,

REQUEST FOR DECISION

To: Courtney Kirk, CAO
From: Matthew Wheelock, Community Economic Development Officer
Meeting Date: March 14, 2019
Subject: 2019 Grant In Aid

Recommendation:

THAT the Board of Directors of the Central Coast Regional District resolve that Grant In Aid funds be distributed as per administrations recommendations as follows:

Bella Coola Music Festival.....	\$2,500
Nusatsum Elementary School.....	\$500
Bella Coola Valley Arts Council.....	\$250
Bella Coola Valley Festival of the Arts.....	\$250
Bella Coola Valley Ridge Riders.....	\$1,200

Board Meeting

MAR 14 2019

CCRD ITEM B(i)

Organizations must meet the following criteria in order to be considered for a Grant-in-Aid.

1. Have a mailing address and contact representative within the Regional District.
2. Be non-partisan, non-denominational and not for profit OR at the approval of the CCRD Board be a well-established community group;
3. Provide a service to the residents within the Regional District; and
4. Have funding sources other than the Central Coast Regional District (ie – other grants, donations, membership revenues, corporate donations, etc.)

Applications may be for:

1. Operation Funding
2. Capital Expenditure
3. Events – Reoccurring
4. Events – One-time

Financial/Budgetary Implications:

The legislation provides a maximum levy of \$0.10 per \$1,000 of assessment for granting aid to community groups. This equates to a maximum allowed of \$18,000. The Regional District has committed \$15,000 annually for the past several years.

Time Requirements – Staff and Elected Officials:

Advertising and posting, acceptance and review of applications, contact grant applicants as to compliance, letters of success, payout, annual reporting.

Re: Invitation to Participate in Community Forest Advisory Committee

Given recent changes to members of the CCRD Board and staff, I would like to take this opportunity to reconfirm the standing invitation for the CCRD to participate in our Forest Advisory Committee. The Previous Economic Development officer attended the meetings on behalf of the CCRD and we welcome the new EDO to follow suit.

The purpose of the Advisory Committee is to help the Bella Coola Community Forest to better engage with the community so that, to the best of its abilities, help the community to reach its goals and aspirations. The Advisory Committee is made up of different local organizations and interest groups.

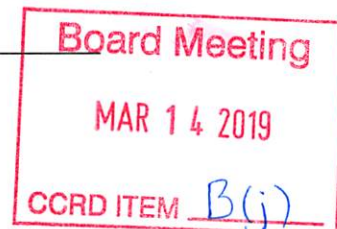

The purpose of the Advisory Committee is to:

- review and provide feedback on community forest policies, forest management plans and operations
- review environmental and social performance indicators and provide recommendations
- review and provide recommendations on specific issues brought forward by the Bella Coola Resource Society, BCCFL or members of the Advisory Committee
- assist with facilitating resolution of conflicts, and
- assist with distributing information to your organization and constituents.

The committee consists of 8-12 members from various community organizations and individuals experienced in resource management and community interactions. The number of yearly meetings is determined by the Committee, but 2-3 meetings per year is estimated.

Our next meeting is yet to be scheduled but is anticipated this spring. Please let us know if the CCRD would like to participate in this committee.

DRAFT Economic Development Advisory Committee

Terms of reference

1. Committee Mandate

"Our vision for the Central Coast Regional District is an inclusive, resilient and sustainable group of communities thriving within a diverse, locally influenced economy within a safe, healthy and natural environment" (CCRD Strategic Plan 2015-2019).

The Economic Development Advisory Committee (EDAC) will assist the Central Coast Regional District (CCRD) Board of Directors and staff in supporting and promoting economic development throughout the region by advising on matters pertinent to community economic development and the Board strategic priorities.

EDAC will be structured to represent a broad set of views and expertise within the region including, but not limited to: tourism, forestry, business, finance, art and culture.

2. EDAC Roles & Responsibilities

- 2.1. Voluntary participation (no remuneration).
- 2.2. No decision making authority.
- 2.3. Support long-term economic stability and growth in the region.
- 2.4. Assist as appropriate CCRD Staff to implement the foundations for economic development in the region.
- 2.5. Provide advice and support
 - on regional, and provincial trends affecting the Central Coast.
 - on the regions strengths, weaknesses, opportunities, and threats relative to economic development.
- 2.6. Review and advise on matters referred by the CCRD.
- 2.7. Development of relationships and collaboration.
- 2.8. The CCRD Board is ultimately responsible to ensure that the EDAC mandate is being followed.

3. Structure & Membership

- 3.1. Appointments to EDAC shall be by resolution of the CCRD Board to a two-year term.
- 3.2. Representation from all of the communities within the CCRD is important. Appointed members may include representatives from each of:
 - CCRD Board of Directors
 - Nuxalk Development Corporation
 - Heiltsuk Economic Development Corporation
 - Wuikinuxv Economic Development Corporation
 - Ocean Falls Economic Development Committee
 - Denny Island Community Development Corporation/Central Coast Chamber of Commerce
 - Bella Coola Harbour Authority
 and Four (4) members at large.

- 3.2.1. Members may also be appointed for their specific expertise for shorter or more flexible terms (e.g., student representative, non-resident expert)

- 3.2.2. Members will be selected from the community at large on the basis of their interest and participation in matters of economic development; academic or technical qualifications; availability; work and volunteer experience; knowledge and expertise.
- 3.2.3. Members may be appointed for consecutive terms
- 3.3. The CCRD Board Representative will ensure that the EDAC mandate is being followed, provide board perspective/direction on priorities and on topics under discussion.
- 3.4. A member of the committee will be selected to chair or convene each EDAC meeting.
- 3.5. Members are expected to attend all meetings regularly.
- 3.6. A member may attend in person or by conference call (e.g. telephone/skype).
- 3.7. The CCRD may appoint a new EDAC member to fill a vacancy for the remainder of the unexpired term should a vacancy occur.
- 3.8. Staff members present at EDAC meetings and others present who have not been appointed by the Board can be involved in discussion but may not vote.

4. Meetings:

- 4.1. A meeting schedule will be set at the first meeting of the year and will be once every two months at a minimum, or as determined by staff, board, or the committee.
- 4.2. All meetings must have a quorum, which is three (3) members of the EDAC.
- 4.3. The meeting Chair will facilitate EDAC meetings.
- 4.4. Members of the public may be invited by the appointed members to participate in discussion.
- 4.5. In the interest of good governance, where there is a perceived interest that may affect impartiality in consideration of a matter, a declaration should be made. This declaration does not restrict participation in discussion.
- 4.6. EDAC members may be consulted by CCRD staff between meetings on emergent issues.
- 4.7. The committee may elect to report discussion highlights rather than to vote on a resolution for submission to the Board of Directors.
- 4.8. If EDAC members feel voting is required, Robert's Rules of Order will be followed.

5. Agendas

- 5.1. EDAC Meeting Agendas shall be prepared by the designated staff member of the CCRD who will bring forward topics for discussion consistent with priorities identified by the Board.
- 5.2. Agenda and information package will be distributed to all EDAC members, CCRD Board of Directors, and any CCRD Staff who will be in attendance at least three (3) business days before the meeting.
- 5.3. Where appropriate, advance notice of topics will be given so EDAC members can gather input from other parties.
- 5.4. EDAC members may bring topics forward for inclusion on the EDAC agenda.

6. Minutes & Reporting

- 6.1. Minutes will be recorded by the appropriate CCRD staff.
- 6.2. Minutes will be circulated within three (3) business days after the meeting.
- 6.3. Minutes will include recommendations to be put forth to the CCRD Board for their consideration.
- 6.4. When adopted, the minutes will be available to the public upon request and minutes may be a part of the Board agenda package.
- 6.5. District staff will include recommendations from EDAC in their Report to the CCRD along with updates regarding EDAC discussion / activity. Minutes will be submitted to the CCRD Board to be received at the next regular board meeting.

7. Staff

- 7.1. Appropriate staff member(s) of the CCRD will attend all EDAC meetings.
- 7.2. Staff's role includes supporting and advising the EDAC on legislation, CCRD bylaws and policies.
- 7.3. EDAC may request additional CCRD staff to be present at meetings through the Chief Administrative Officer.
- 7.4. CCRD staff are not appointed members.
- 7.5. Appropriate CCRD staff will provide administrative and technical support for EDAC such as:
 - Organizing and preparing meeting agendas;
 - Distributing the agenda, forwarding information packages to Committee members, sending notice of meetings,
 - Presenting information relevant to the CCRD Economic Development Plans.
 - Taking and preparing minutes
 - Maintaining a list of outstanding issues for EDAC's consideration or action,
 - Assisting the Committee with events such hosting guest presenters

8. Public Relations

Appointed EDAC members should take due care when speaking in public or to the media. Opinions expressed should be clearly identified as individual opinions and not represented as EDAC or CCRD opinions unless instructed by the Board to speak on the behalf of the EDAC or CCRD.

**CENTRAL COAST REGIONAL DISTRICT
OPERATIONS DEPARTMENT
MARCH 2019 REPORT**

TO: Courtney Kirk, CAO
CC: Board of Directors, CCRD
DATE: March 14, 2019
FROM: Ken McIlwain, RPF, Operations Manager
SUBJECT: Operations Monthly Report

RECOMMENDATION:

1. **THAT the March 2019 Operations Report be received.**

**CCRD OPERATIONS
MARCH 2019 HIGHLIGHTS**

SOLID WASTE MANAGEMENT

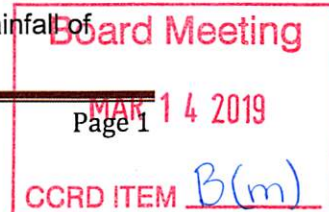

1. The past 6 weeks of cold and outflow winds generated significant positive feedback from recycling depot customers who appreciated access to the new heated premises at Thorsen Creek. No significant operational issues have cropped up at the new facility during the first winter of operation.
2. Staff and land fill contractor are still fighting mechanical issues with the packer truck at Thorsen Creek Transfer Station. The problem has been traced to a suspected faulty fuel solenoid, which has now been replaced. The roll-off truck and 30 yard bins have been used as an alternate waste transfer system.
3. The cardboard baling unit has been repaired at a cost of about \$1200. A large stockpile of loose cardboard accumulated over the 3-4 week breakdown and it was necessary to have staff come in for extra hours to catch up with the baling.

RECREATION FACILITIES

Centennial Pool: Budgeting and planning for this season are underway. Job positions for the 2019 season are being clarified and posting will go out shortly.

Skating Rink: Volunteers took advantage of the cold snap to flood the rink over the weekend of February 2. An unprecedented 35 days of skating followed, but with the snow and rainfall of

March 14, 2018

March 11th, the skating is most likely finished for the season. Schools and residents have been taking advantage of the skating weather.

It should be noted that a committed group of volunteers were responsible for the daily cleaning, flooding and scheduling work at the rink.

Photo: Bella Coola Elementary School enjoying a morning of ice skating at Snootli Skating Rink as the sun peaks through the Snootli Valley and the surrounding forest.

Walker Island Park: February 18 saw a park full of families celebrating Family Day. Kids participated in scavenger hunts, face painting and hay rides.

Snootli Creek Park: A member of the public called to report fire wood cutters falling trees along the road to the Beaver Pond. Most of this road falls outside the Park boundaries and is Ministry of Transportation Right of Way through private land.

Trails through Snootli Creek Park have been cleaned of windfall left from winter windstorms.

Nusatsum Park: Nothing to report.

BELLA COOLA TOWNSITE WATER SYSTEM

1. Nothing to report.

FIRE PROTECTION

1. Winter has been slow with respect to call outs.
2. Volunteers are working to upgrade the storage area at the back of the fire hall.

3. A practice was held at the Thorsen Creek Landfill on March 7, to test the process of water delivery to the site. Turn around time for the tanker truck was about 15 minutes. The tanker was used to fill a drop tank, from which the pumper truck drafted water to supply two 1.5" attack lines at 60 GPM. The practice identified some small equipment gaps that will be fixed with the purchase of a smaller draughting screen and adapter that will allow the use of a smaller draughting line. The landfill site is not currently located inside any fire protection service area.

STRATEGIC INITIATIVES

CENTENNIAL POOL UPGRADE

Minimal work has occurred on this initiative through February due to staff commitments around other projects and budgeting. Staff have now started working on a procurement framework and the focus will be on initiating the tendering process for project management and design/construction services.

DENNY ISLAND WATER SYSTEM

Staff were busy through February with distributing and answering questions around the petition for establishment of the Denny Island Water System service, and then the subsequent analysis of petitions to determine the result of the process. Please see the CCRD Public News Release of March 7th, 2019 for information on the outcome of the Denny Island Water System petition process. The news release is available online at <http://www.ccrd-bc.ca/news/article/680/Denny-Island-Water/>.

Engineering and tendering works are proceeding for the water system treatment plant and reservoir being constructed by SD#49.

Respectfully submitted,

Meeting Minutes

28 February 2019

Present: C. Nygaard, N. Koroluk, K. Lansdowne, J. Cole

Staff: K. McIlwain, R. Liu

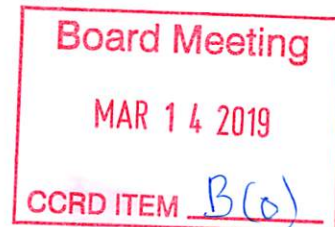

1. 2019 Budget - Various line items were discussed, the primary one being the heating unit. The repair of this unit is scheduled for April. Replacement of a heater has not been budgeted for. In the event that the heating system stops working during the season, it is requested that the Asset Replacement Fund be used to purchase a new system. Note that if this is used, the part of the 2020 Local Property Taxation allocated to the pool must be used to replace the Asset Replacement Fund.

Recommendation to CCRD: *That money from the Asset Replacement Fund (Item 50316) be used to purchase a new heater if the old one is not repairable.*

2. Bylaw 474 (Use and Admission Fees) - Fees were discussed. (It was noted that the information online was incorrect/out of date and should be changed.) All fees will be increased by approximately 5 percent from those charged in 2018. Nicola will prepare a spreadsheet and circulate it to this meeting's participants for review before submitting it to the CCRD.

Recommendation: *Amend Bylaw 474 as submitted.*

It was noted that the Federal Summer Employment Program Grant application date has passed. In the

past this application was applied for by CCRD Staff with the assistance of Commission Chair.

3. Pay Scale - The minimum wage will increase to \$13.85 on June 1, 2019. Only the Aquatic Leader rate of pay will be increased as a result of this. Nicola will prepare the updated pay rates, to be submitted to the CCRD.

Recommendation: *Amend Policy A-12(b) as submitted.*

4. Season Opening - Staff will begin work in mid May with the pool open to the public in mid June. Closing will be Sunday 25 August.

Recommendation: *That CCRD staff, in conjunction with the Commission, develop a schedule/time table of dates important for the pool operation, including grant submission, letters of appointment for the Commissioners, ordering the global payment machine, and water, internet, and phone access.*

5. Job Descriptions - Current Job descriptions for pool staff are not available.

Recommendation: *CCRD Staff prepare a document with up to date job descriptions for the positions outlined in Policy A-12(b)*

6. New Commission Member - The Commission is actively seeking two new Commissioners.

CCRD ITEM B(9)

**CENTRAL COAST REGIONAL DISTRICT
OPERATIONS DEPARTMENT
MARCH 2019
TRANSPORTATION REPORT**

TO: Courtney Kirk, CAO
CC: Board of Directors, CCRD
DATE: March 14, 2019
FROM: Ken McIlwain, Operations Manager
SUBJECT: Transportation Monthly Report

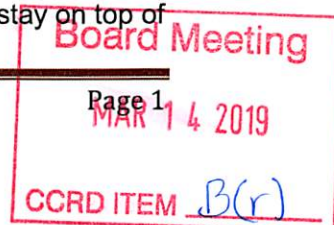

RECOMMENDATIONS:

1. **THAT the March 2019 Transportation Report be received.**

**TRANSPORTATION
MARCH 2019 HIGHLIGHTS**

1. Burning operations are complete on the east end of the airport. Conditions were excellent and the work was completed approximately 15% under budget.
2. An Invitation to Tender has been issue for the dozing, raking, seeding and rolling of the east end. The finished product will be a field that can be mowed annually to keep tree seedlings from getting established.
3. Logs that have been sold to Totem Sawmill have all been removed from the west end of the airport. The cleared areas on the west approach are now fairly clean except for some pile burning that still needs to happen.
4. Staff are prioritizing a review of the airport infrastructure in the context of Transport Canada's Aerodrome Standards 5th Edition at the request of Transport Canada. The review will help inform and update Navigation Canada's Flight Supplement Manual which is published annually. The manual is referred to by pilots wanting information on a specific aerodrome.
5. On March 9th, a meeting and infrastructure inspection was held with Anahim Lake Airport Attendant/Manager Dave Chamberlain to discuss the best approach for crack sealing of paved runaway, taxiway and aprons. Mr. Chamberlain says they have had good success with a small push style melter heated with a tiger torch. It will be labour intensive the first year because the crack sealing has not been done since 2014. However, if we stay on top of

March 14, 2019

the crack sealing on an annual basis, a small crack sealing unit should be satisfactory. This appears to be a good solution that will offer the flexibility needed to work around weather conditions. The cracks on the apron are large and have dirt and vegetation in them which will have to be removed prior to sealing. A combination of a skid steer with a sweeper attachment followed by pressure washing or an air compressor should address this issue.

6. Staff have been following up on unpaid landing fees from 2018. Outstanding invoices are being gradually cleared.

DENNY ISLAND AIRPORT

There is nothing current to report on. An Airport Commission meeting is tentatively scheduled for the spring to address the annual work plan.

POLICIES

A-12(b) - Centennial Pool – Pay Scale

Policy:

1. The pay per hour for each staff member will be determined by the attached chart.
2. Proof of current awards in the form of certificates or cards, etc. must be supplied by staff to qualify for a given pay level.
3. If status goes up during a pay period, the rate of pay changes on the first day of the next pay period.

Clarification:

1. Past experience will be determined by the Pool Commission. The number of hours worked or volunteered and the type of work experience will receive due consideration. Thus, records of volunteer hours worked must be made available as appropriate.
2. An employee may receive a wage that is lower than the suggested base rate if that employee has less than the minimum qualifications (i.e. 15 years of age with only bronze medallion) but in any case, no employee will receive a wage which is lower than the provincial minimum wage.
3. First Aid is defined as :

LSS Aquatic Emergency Care, or
Standard First Aid, or
Emergency First Aid.
4. "Interim" award cards may be acceptable in the determination of hourly rate.
