MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of the Central Coast Regional District and all the information in this annual report are the responsibility of management and have been approved by the Board of Directors.

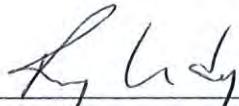

The financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles for local government. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The District's management maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the consolidated financial statements is relevant, reliable and accurate and the District's assets are appropriately accounted for and adequately safeguarded.

The District's Board of Directors is responsible for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The District's Board of Directors reviews and approves the consolidated financial statements. The District's management meets periodically with the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities. They review the annual report, consolidated financial statements and the external auditor's report, as well as the engagement of the external auditors.

The consolidated financial statements have been audited by PMT Chartered Accountants / Business Advisors LLP, in accordance with Canadian generally accepted auditing standards on behalf of the District.

Reginald Moody-Humchitt
Chairman of the Board of Directors

Darla Blake
Chief Administrator Officer

**INDEPENDENT AUDITORS' REPORT**

To The Board of Directors of The
Central Coast Regional District

We have audited the accompanying consolidated financial statements of the Central Coast Regional District, which comprise the consolidated statement of financial position as at December 31, 2013, and the consolidated statements of revenue and expenditures, cash flows and statement of changes in net financial assets for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles for local governments, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

.../2

CHARTERED ACCOUNTANTS / BUSINESS ADVISORS LLP

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Central Coast Regional District as at December 31, 2013, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles for local governments.

CENTRAL COAST REGIONAL DISTRICT

Notes To The Consolidated Financial Statements For The Year Ended December 31, 2013

Page 1 of 11

1. Purpose

The Central Coast Regional District (the "District") operates under the provisions of the Local Government Act and the Community Charter of British Columbia. Its principal activities include the provision of local government services to residents of the region. These include general government, protective, water, airport, and recreation services.

2. Significant accounting policies

a) Basis of presentation

The consolidated financial statements of the District are prepared by management in accordance with Canadian generally accepted accounting principles for local governments, as prescribed by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants.

b) Funds of the District

For accounting and financial reporting purposes, the resources and operations of the District are segregated into the the General Operating, Water Operating, General Capital, Water Capital and Reserve Funds.

Each fund is recorded as a separate entity which is identified in its statement of financial position and where applicable, its statements of revenue and expenditures and equity. Transfers between funds are recorded as adjustments to the appropriate fund balance. Fund statements are presented as supplementary information to the consolidated financial statements.

c) Principles of consolidation

The consolidated financial statements include accounts of all funds of the District. Interfund balances and transactions have been eliminated.

d) Accrual accounting

The accrual method for reporting revenues and expenditures, including capital expenditures, has been used. Revenues are recorded in the period they are earned. Expenditures are recorded as the cost of goods or services in the period they are obtained.

e) Foreign currency

Accounts in foreign currencies have been translated into Canadian dollars using the temporal method. Under this method, monetary assets and liabilities have been translated at the year end exchange rate. Non-monetary assets have been translated at the rate of exchange prevailing at the date of transaction. Revenues and expenses have been translated at the average rates of exchange during the year, except for amortization, which has been translated at the same rate as the related assets.

Foreign exchange gains and losses on monetary assets and liabilities are included in the determination of earnings.

f) Administration apportionment

A percentage of certain budgeted administration expenses of the District has been allocated to other functions. These expenses include audit fees, bank charges, wages and related costs of the administrative staff, office, stationary and telephone.

2. Significant accounting policies (continued)**g) Cash and cash equivalents**

Cash and short-term investments consists of cash on hand less outstanding cheques and deposits with a maturity of less than three months at the time of purchase and term deposits with a maturity of less than one year. When outstanding cheques are in excess of cash on hand, the excess is reported in bank indebtedness.

h) Tangible capital assets

Tangible capital assets are recorded in the General Capital Fund and Water Capital Fund at cost or deemed cost, which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset less accumulated amortization.

Contributed tangible capital assets are recorded at fair value at the date of receipt and also are recorded as revenue.

Leases which transfer substantially all of the benefits and risk incidental to ownership of property, are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are included in expenses as incurred.

The costs, less residual values, of the tangible capital assets, excluding land are amortized using the declining balance method, at the following rates over their estimated useful lives as follows:

Buildings	4%
Furniture and equipment	20%
Parks and recreation projects	20%
Paving	5%
Vehicles	30%
Water distribution system	4%

The District regularly reviews its tangible capital assets to eliminate obsolete items. Government grants are treated as a reduction of tangible capital assets.

Tangible capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

i) Revenue recognition

Grants and contributions (other than grants in lieu of taxes) are recorded when receivable. Grants in lieu of taxes are recognized at the earlier of when received or when money is determined to be more likely than not collected.

Revenue unearned in the current period is recorded as deferred contributions.

j) Interest

The District follows the practice of investing individually significant unspent funds within individual funds. Interest earned is allocated on the basis of actual earnings from the specific instruments. Excess funds or temporary borrowings of all functions and capital projects are pooled and interest income or expense is allocated to the individual functions and capital projects on a monthly basis.

2. Significant accounting policies (continued)

k) Taxation

Each Electoral Area within the District is requisitioned for their portion of each service in which they participate. These funds are then levied by the Province (for Electoral Areas) to individual taxpayers and turned over to the District by August 1 of each year.

l) Budget reporting

Unaudited budget figures shown represent the Financial Plan Bylaw adopted by the board on March 14, 2013. These figures do not reflect subsequent amendments made by the Board of Directors to reflect changes in the budget throughout the year as required by law.

m) Measurement uncertainty

The preparation of consolidated financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure on contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenditures during the reporting period. Significant areas requiring use of management estimates relate to valuation of inventory and the collectibility of accounts receivable. Actual results could differ from those estimates.

3. Financial instruments

a) Fair value

Assets and liabilities designated as available-for-sale include cash and cash equivalents, and the debt reserve fund are measured in the consolidated statement of financial position at fair value. The fair value for accounts receivable, accounts payable, accrued liabilities and wages payable approximate their carrying value due to the relatively short-term to maturity of these instruments. The carrying value of long-term debt approximates the fair value as the interest rates consistent with the current rates offered to the District for debt with similar terms.

b) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the District manages exposure through its normal operating and financing activities. The District is exposed to interest rate risk primarily through its variable interest rate long term indebtedness.

c) Credit risk

It is management's opinion that the District is not subject to significant credit risk associated with its financial instruments.

CENTRAL COAST REGIONAL DISTRICT

Notes To The Consolidated Financial Statements For The Year Ended December 31, 2013

Page 4 of 11

4. Cash and cash equivalents

	<u>2013</u>	<u>2012</u>
Cash	\$ 410,970	\$ 690,084
Term deposits	160,826	244,063
Short term investments	697,375	640,799
Equity shares at the Williams Lake and District Credit Union	<u>1,000</u>	<u>1,000</u>
	<u><u>\$ 1,270,171</u></u>	<u><u>\$ 1,575,946</u></u>

Short-term investments are held in Municipal Finance Authority (“MFA”) pooled money market fund with an annual rate of return of approximately 0.94% (2012 – 1.05%).

5. Accounts receivable

	<u>2013</u>	<u>2012</u>
Trade and others receivables	\$ 137,417	\$ 48,962
Government receivables	<u>7,459</u>	<u>926</u>
	<u><u>\$ 144,876</u></u>	<u><u>\$ 49,888</u></u>

6. Other assets - Debt Reserve Fund

The Municipal Finance Authority of British Columbia (MFA) provides capital financing for regional districts and their member municipalities. MFA is required to establish a Debt Reserve Fund. Each regional district, through its member municipalities who share in the proceeds of a debt issue, is required to pay into the Debt Reserve Fund certain amounts set out in the debt agreements. MFA pays into the Debt Reserve Fund these monies from which interest earned thereon less administration expenses becomes an obligation to the regional districts. It must then use this Fund, if at any time there are insufficient funds, to meet payments on its obligations. If this occurs, the regional districts may be called upon to restore the Fund.

Upon the maturity of a debt issue, the unused portion of the Debt Reserve Fund established for that issue will be discharged to the District. The District has estimated that there is only a remote possibility that these funds will not be paid to it and therefore these funds have been included in other assets.

7. Accounts payable and accrued liabilities

	<u>2013</u>	<u>2012</u>
Trade and others payables	\$ 31,547	\$ 124,789
Holdbacks payable	<u>—</u>	<u>9,300</u>
	<u><u>\$ 31,547</u></u>	<u><u>\$ 134,089</u></u>

CENTRAL COAST REGIONAL DISTRICT

Notes To The Consolidated Financial Statements For The Year Ended December 31, 2013

Page 5 of 11

8. Deferred contributions

Deferred contributions consists of funds received from grants for specific projects with conditions placed on its use for which the related conditions have not yet been met.

The deferred contributions are allocated from the following functions:

	2013	2012
General Operating Fund		
Administration	\$ 43,496	\$ 86,990
Economic Development	1,804	3,604
Emergency Management Initiative	101,312	218,239
Parks Commission	2,809	5,617
Recreation Commission	609	1,209
Waste and Recycling	14,632	29,286
Swimming Pool	<u>4,883</u>	<u>9,765</u>
	<u>\$ 169,545</u>	<u>\$ 354,710</u>

9. Long-term financing - Water Capital Fund

Security Issuing By-law #275 was enacted November 17, 1997. Repayment of the financing is on a semi-annual basis with payments of \$9,760 on May 5 of each year commencing in 1998 and payments of \$18,246 payable on November 5 of each year commencing in 1998. Final payment based on actuarial calculations will be made on November 5, 2022. It is estimated that the District maybe able to repay this debt as early as December 31, 2017 using assets on hand.

Parcel taxes were elevated to fund the payments made on the long-term financing. When the debt has been repaid the District will reduce this \$500 parcel tax.

Interest paid on long-term debt included in payments from the General Operating Fund are \$19,521 (2012 - \$19,521).

b) Write-down of tangible capital assets

The write-down of tangible capital assets during the year was \$NIL (2012 - \$NIL)

11. Commitments and contingencies

a) The District has entered into the following lease agreements:

	Term	Expiry date	Annual lease cost
Arena	30 years	July 18, 2041	\$1.00
Centennial Pool	50 years	March 31, 2058	\$1.00
Thorsen Creek Waste and Recycling Center	10 years	July 12, 2022	\$1.00

b) During the course of the year, the District may be a defendant in a lawsuit. The District reviews any claims or potential claims made against it on a yearly basis to determine if they would be covered by insurance, and if not, whether a claim that would not be successfully defended would have a material effect on the consolidated financial statements.

The management of the District is not aware of any claims or potential claims that if not successfully defended would have a material effect on the consolidated financial statements. If a claim was paid as a result of the outcome of litigation it would be treated as an expenditure.

c) The District and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trustee pension plan. The board of trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The Plan has about 179,000 active members and approximately 71,000 retired members. Active members include approximately 4 contributors from the District.

The most recent valuation as at December 31, 2012 indicated a \$1,370 million funding deficit for basic pension benefits. The next valuation will be as at December 31, 2015 with results available in 2016. Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate with the result that there is no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the Plan.

The Central Coast Regional District paid \$20,250 (2012 - \$12,711) for employer contributions to the plan in fiscal 2013.

d) The District is a member of the Municipal Insurance Association of British Columbia. As a member of this association, the District is contingently liable for claims in excess of the insurance fund.

11. Commitments and contingencies (continued)

f) The Thorsen Creek Waste and Recycling Centre is reaching capacity. The District has entered into the planning and approval process for an expansion to the existing landfill site. However, the size and terms of any potential future expansion are at this time unknown.

The District operates a landfill and is responsible for closure and post closure care under the Waste Management Act of British Columbia. These future site restoration costs are recognized based on assumptions, engineering studies and estimates to the costs of future removal and site restoration. Changes to the underlying assumptions or legislative change in the future could have a material impact on the statements. The District is in the process of establishing a reserve for these future costs. As the costs for closure and post closure care are not readily determinable, the District has not provided for future site restoration costs.

12. General Operating Fund surplus (Statement A)

13. Related party transaction

The District is related to the Central Coast Regional Hospital District as the members of the Board of Directors of the District form the majority of the members of the Board of Directors of the Central Coast Regional Hospital District. As legislated by the Hospital District Act, the officers and employees of the Central Coast Regional Hospital District are the corresponding officers and employees of the Central Coast Regional District. Each of the Regional District and the Hospital District are separate legal entities as authorized by separate legislation.

During the year the Central Coast Regional Hospital District received accounting and management services from the District and paid \$13,000 (2012 - \$13,000) for these services.

CENTRAL COAST REGIONAL DISTRICT

Notes To The Consolidated Financial Statements For The Year Ended December 31, 2013

Page 10 of 11

14. Related party transaction (continued)

During the year the District paid \$19,609 (2012 - \$100,325) to Spiritscape Ventures Ltd., a business owned by the spouse of an employee. Spiritscape Ventures Ltd. is a company hired for emergency management initiatives and property management.

During the year, the District paid \$NIL (2012 - \$367) to Hodge Podge Novelties Ltd., a business owned by one of the board of directors for supplies.

These transactions are in the normal course of business and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

15. Expenditures and expenses by object

	<u>2013</u>	<u>2012</u>
Amortization	\$ 93,275	\$ 96,634
Bad debt expense	-	172

	<u><u>\$ 1,266,981</u></u>	<u><u>\$ 1,469,907</u></u>

16. Prior period adjustment

During the year it was identified that there were additional capital costs associated with the landfill building in prior years. As a result of this, tangible capital asset additions have increased by \$17,902 in 2011 and \$46,269 in 2012, solid waste management has decreased by a corresponding amount and General Operating Fund contributions to the General Capital Fund have increased by the same amount. As well, amortization expense has increased by \$775 in 2011 and \$2,626 in 2012 with a corresponding decrease to General Operating Fund contributions in the General Capital Fund.

17. Comparative figures

Certain of the comparative figures have been reclassified to conform to the current year's presentation.

18. Recent accounting pronouncements

Liability for contaminated sites (PS 3260)

In June 2010, the Public Sector Accounting Board (PSAB) issued PS 3260 Liability for Contaminated Sites to establish recognition, measurement and disclosure standards for liabilities associated with the remediation of contaminated sites. The new section defines activities included in a liability for remediation, established when to recognize and how to measure a liability for remediation, and provides the related financial statement presentation and disclosure requirements. PS 3260 is effective for fiscal years beginning on or after April 1, 2014. The District has not yet determined the effect of the new section on its consolidated financial statements.

AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

To The Board of Directors of The
Central Coast Regional District

We have audited and reported separately on the consolidated financial statements of the Central Coast Regional District as at December 31, 2013 in accordance with Canadian generally accepted auditing standards.

We conducted our audit for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The current year's supplementary information included in Statements A - K and Schedules 1 - 18 are presented for purposes of additional information and is not a required part of the consolidated financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.
