An Invitation from CCRD Chair Alison Sayers, Director Area C

Town Hall, December 13, 2017, 7 pm, Moose Hall

On behalf of the CCRD Board of Directors, I am pleased to invite our entire community to a Town Hall meeting on December 13th, 2017, with our MLA Jennifer Rice, Parliamentary Secretary for Emergency Management.

This town hall is being held primarily to address concerns about flooding in the Bella Coola Valley, and is a golden opportunity to ask any questions you might have of representatives from several provincial ministries and local government.

It is the intention of all your CCRD elected officials that this town hall will be an important step in deepening our understanding, perspective, and unity as a community. This is critically needed right now as we advocate to the province to address the needs of our region, and as we all learn together how to adapt to climate change and increasing natural disasters.

Let's fill Moose Hall, ask those hard questions, and show the Province of BC the high level of concern we all have for this issue.

Date: **Wednesday, 13 December 2017**

Time: **7 pm**

Location: **Moose Hall**

See you there!

Sincerely,

Alison Sayers
